APPLICATION

On the pages that follow you will find an application and a reference form for the upcoming Residency and/or Internship Program. The application will need to be filled out in its entirety and returned to Patty Moses along with two references. Please give the reference forms to individuals who have known you for two years or more and can adequately speak to your character. One personal, non-relative, and one pastoral reference is preferred. Once your reference forms have been completed and returned to you in a signed and sealed envelope, submit them along with your application. Your application will be considered when 100% of your information has been turned in.

Due to space limitations, we will need to limit the class size. Please know and understand that we will not be able to accept everyone that wishes to be a part of this Residency and/or Internship Program. Thank you for your interest.
