A YEAR IN REVIEW

WARM UP

What did you enjoy the most during this unusual year? What was the most disappointing?

Read Psalm 13. Notice the Psalmist looked at his immediate circumstances of sorrow, danger, and fear – a very bad year. But he also looked at God and verses 5-6 were the result.

1. What was it in the character of God that made him pivot from sadness to joy and singing?
Have you made that pivot in your life this year. Why? Why not?

redemption is woven
throughout all our troubles

2. Where was God's presence evident in your life this year? What prayers did He answer?
