# GENESIS

Noah and Worldwide Judgement

---

### WARM UP

Have you ever had to take an unpopular or minority stand? How did it make you feel?

1. Gen 6:5-8 and 11-12 How is the depravity of mankind described? What terms describe what was happening in the heart of God? **Why do you think our sin affects Him so much?**
2. Gen 6: 8-9. How did God see Noah? Didn't he share our sinful DNA? **What made him righteous?** Cf Heb 11:7. What showed the reality of his faith? What are some indicators in our lives that we are walking in relationship with God by faith? Where is it hard for you right now in your own faith walk?
3. What was God's holy response to sin and violence?  
6:13,17 **How does God feel about being forced to inflict wrath?** Ezek. 33:11. Is 28:21. It took 120 years (6:3) for Noah to build this life saving barge. **How many people believed the preaching of Noah during this grace period?**
4. Compare Noah's results with the apostle Peter (Acts 2) who had 3000 saved in one day? Consider Stephen whose listeners did not believe his message and stoned him on the spot. (Acts 7) **Of these three whose witness pleased God most? Why?** Review again Heb 11:7

### WE NOW SEE JESUS THE SON OF GOD

**A better Noah (5:29)**

Where we have rest from the curse

**A better acceptance (6:8)**

Where we are accepted in the beloved

**A better covenant (6:18)**

Where we have eternally secure promises

**A better ark (7:1)**

Where we are safe forever from holy wrath
