

LIFE GROUP GUIDE

Connection: Check in with your students, maybe highs and lows. **Be sure to check in with them to see how their week went. Find out how many of them took the time write down their talents and how they might use them to love God and serve others? Ask them how their time with God has been. Anything new or exciting been happening.**

Big Idea: This week we will be covering how we are called to give up our lives and be sacrificially generous with our treasures. We will be encouraging students to give of their treasures readily so that they might be about His work.

Our Story:

1. What's one thing of spiritual significance that stood out to you from this weeks video?

God's Story:

Luke 12:13-21 & 32-34

Matthew 25:31-46

2 Corinthians 9:6-9

Proverbs 19:17

Reflection:

1. Why is the man in the parable from Luke 12 considered a fool?
2. In what ways are you like the rich fool? Do you have the mind set that "I need to make more for me?"
3. In what ways are you different from the rich fool?
4. What kind of treasures are you currently storing up here on earth?
5. How might your view of the Gospel (God's love for us and what he did and will do for use) change the way you see your treasures?
6. Matthew 25 says that when Jesus returns He will say "whatever you have done to the least of these, you've done to me", how might you act differently towards others if you imagined they were Jesus?
7. Looking back on today, what would you have done differently today at school or at home if you had viewed others as Jesus?
8. What is 2 Corinthians 9 telling us?
9. What would it look like for you to give, not reluctantly OR under compulsion but with a cheerful heart?

Living:

Take some time to write down treasure you have that is just being stored up for yourself. Spend some time in prayer asking God if there are any of those things that He wants you to give away or sell to provide for those in need.

Be sure to take time and pray with the students
