Hebrews 10

A Better Sacrifice

**** For groups meeting this week****

Connect (15-20 mins)

1. Follow up on any prayer requests from last week. Share highs and lows or updates as you settle in. You can also find our list of 100 Ice Breaker Questions in our Leader Tool Kit in your [Well account](#).

Grow (5-10 mins)

2. We are in thanksgiving season, and by way of reminder, take a moment and examine this year so far. How have you seen God move? How is he teaching you thankfulness especially as it relates to him?

Share (45-60 mins) - Embracing Jesus as the ultimate sacrifice into our lives.

3. Jesus is our better sacrifice. The old ways of sacrifice were impersonal, imperfect and continuous, but His sacrifice was personal, perfect, and permanent. What are some common barriers that keep people from confidently drawing near to God, and how have you personally experienced or overcome these barriers?
4. This new life in Christ wasn't meant to be alone, or just having your "own faith". Jesus calls us higher read verses 24-25. We should seek to be fountains, not drains and desire that others would draw near to God. In what ways are you currently pouring into others and encouraging in the Lord? Is there someone today that God is putting on your heart to reach out to?
5. The audience of Hebrews were experiencing persecution and were tempted to revert back to their old ways. Remember doubt is okay, not having all the answers is okay, but we must hold fast and seek to do the things that would strengthen your faith/the confession of your hope. Where are you currently tempted to let go of hope or doubt God's faithfulness, and how can you remind yourself daily that the One who promised is trustworthy?

Practice: Intentionally Pursuing Community - Friendsgiving!

Please look at our Friendsgiving document clicking [here](#). As the semester is nearing its end, take time to break bread with one another celebrating and expressing gratitude.
