Read: Deut 17:14-20, 1 Sam 8-10, 12

Sermon Notes: (Observations, Questions, Reflections)

GROUP TIME

Connect (30 Mins): (Building Relationships: Know, laugh, pray [follow-up/requests], eat together, follow-up on previous practices, etc.)

Discuss (30 Mins):

- What stood out to you during this week's message? Look back to the observations and reflections you noted down prior.
- In what areas of your life are you more often influenced by the world/culture instead of living distinct from it?
- Where do you personally feel the tension between trusting God's sovereignty and placing hope in earthly leaders?
- Where do you tend to treat God's Word as optional rather than authoritative?

Apply (30 Mins): Foundational Practice - Embracing the Gospel at a Point in Time/Share Your Story

When we embrace the gospel, we serve a new King who promises to change us.

- Have you embraced the gospel? If not, consider doing that now and bringing any thoughts/questions/fears forward to the group. See **Romans 10:9**.
- If you already have embraced the gospel, how comfortable are you sharing your story of life change with others—and what holds you back, especially with non-believers?

This week, intentionally share your story of life change with one person, and be ready to share how it went next week, including what felt encouraging or challenging. See [Share Your Story](#) for assistance with this.
